Sub: Reimbursement of medicines

Of late, it is noticed from some of the medical claims submitted for reimbursement that ayurvedic medicines are procured from shops which do not have drug licence. As per OM No.11014/1/2011-V dated November 14, 2011 ayurvedic medicines can be purchased from a licenced Ayurvedic shop in CHSS stations only.

In view of the above, it is requested that while purchasing ayurvedic medicines employees should ensure that the ayurvedic shop is having drug licence. **It may kindly be noted that ayurvedic medicines procured from shops do not having drug lincence will not be reimbursed.** All employees are requested to co-operate.

This is issued with the approval of Competent Authority.
