विषय/Sub: CHSS – Room rent for the patient admitted in ICU – Services offered by the existing panel specialists - reg.

*****

All CHSS beneficiaries are requested to note the following for strict compliance, with immediate effect

- In CHSS recognised hospital, room rent will not be separately allowed when the patient is admitted in ICU. In other words ICU charges and Room rent will not be admissible simultaneously.
- Reimbursement of expenses incurred towards services offered by existing panel specialists under CHSS will not be made hereafter.
